## 2015 Cape Horn Creek Allotment

### USFWS Monitoring Report

#### Annual Monitoring Report Form for Actions covered under the Service's Biological Opinion for Grazing on Allotments Managed by the Salmon Challis National Forest.

Please submit annually by **March 1** to the Supervisor of the Service's Eastern Idaho Field Office:

**4425 Burley Dr., Suite A, Chubbuck, Idaho 83202**  
**Telephone (208)237-6975.**

Please include name and contact information in case additional information is needed.

1. What was the name of that stream in this allotment surveyed for impacted redds? **None, Sheep were off the allotment on August 10, 2015.**
2. What was the date of the survey, and what were the water conditions? **NA**
3. Which stream segment was surveyed and how many redds and impacted redds were found? (Please give GPS start and stop points for segments)? **NA**
4. What was the date that livestock removed from the pasture with surveyed stream segment? **NA**
5. Did this number exceed the scale anticipated in section VII of the Biological Opinion? **NA**
6. Were there any changes to the grazing management that differed from the proposed grazing management in the Forest's Biological Assessment? If yes, what were they? **Yes, because of noncompliance in 2013, a suspension between August 10 and October 1 in the 2014, 2015, and 2016 season was implemented.**
7. Were there any unexpected circumstances or events that resulted in impacts beyond those anticipated in the Forest's in the Biological Assessment or the Service's Biological Opinion? If yes, please describe. **No**

Salmon-Challis NF Official: **Barry Dopp (range management specialist), Christine Stewart (fish biologist)**

Date: **February 8, 2016**
